TRUCKER**

RATECARD 2022/2023

The Asian Trucker is a bi-monthly publication aimed primarily at fleet operators in South East Asia. As the unique heavy truck publication in the region, it also appeals to anyone associated with the transportation. A premier business and product magazine, Asian Trucker features and deals with issues around from drivers enthusiasts through to logistics and infrastructure executives.

The publication covers the latest in fleet management and operations as well as a specific focus on people in the industry and of course the trucks themselves with technical and engineering performances, launch of new models and upgrades, etc... This publication is a must read for the astute business man, operating trucks in Asia as well as any truck enthusiast in the region.

Insights into the industry allow readers to keep abreast of the latest development, never missing out on a trend or important development. Contributors are recruited from the top-tier in their fields. This publication offers the highest quality.

Who should advertise?
